

Aries Cylinder

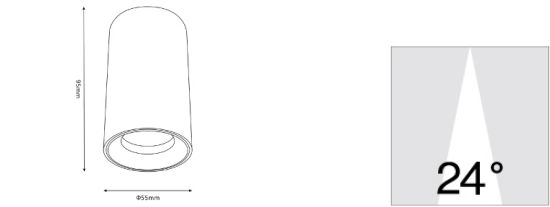

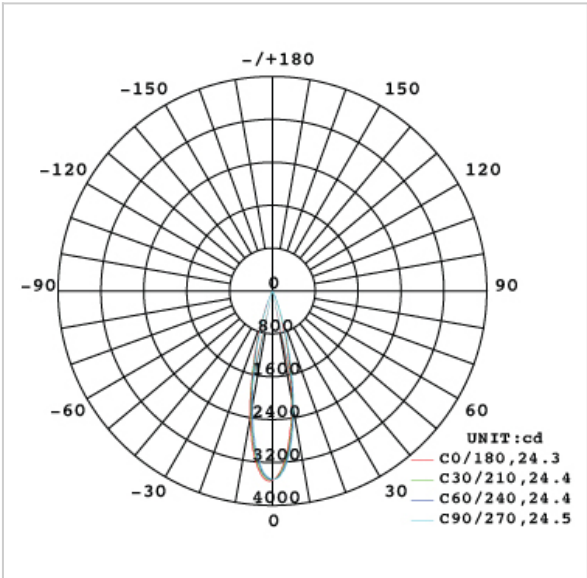

LAKV-7-CY-12

The Cylinder Light is a sleek, modern lighting fixture designed to provide a clean, minimalist aesthetic with powerful illumination. Its cylindrical shape allows for even light distribution, making it perfect for both functional and ambient lighting needs. Constructed from durable materials with a refined finish, it blends seamlessly into various interior styles, from contemporary to industrial. The Cylinder Light combined with energy-efficient performance, makes it an excellent choice for residential and commercial both.
